## Part A: Pupil premium strategy plan

### Statement of intent

The Pupil Premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meals (FSM), those looked after (or previously looked after) by the local authority and children of armed service personnel.

Our aim is to ensure our children have the potential and opportunities to accelerate progress, raise attainment and improve outcomes both academically and non-academic for our disadvantaged pupils at Beacon Primary Academy.

Our disadvantaged strategy identifies the challenges that this group of pupils' face and provides clear strategies to overcome and support these. The whole staff team have a shared vision that all pupils, whatever their background and situation, will have their needs met and have access to an inclusive, knowledge and skills filled curriculum.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our Pupils require additional support top achieve their potential, academically, socially and emotionally.
2	On entry to school our Reception baseline indicates that our Pupil Premium pupils enter school significantly below age-related expectations. Communications skills, speaking and listening and vocabulary are limited.
3	Our Pupil premium families often have other complex needs and challenges (multiple disadvantaged). Extra support from a Family Support Worker, SEN Co-ordinator, Safeguarding Lead are used to support wider complex needs within the setting.
4	Opportunities for wider activities and experiences of the wider world can be limiting for our children to access. Therefore, aspirations and opportunities to experience wider opportunities are limited for some pupil premium pupils.
5	Outcomes for our pupils in Year 6 indicated that when our pupil premium pupils leave school, their core attainment is not always in line with non-disadvantaged pupils.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>PP pupils to make good progress and diminish/close the attainment gap from their starting point.</p>	<p>Internal data and pupils' learning outcomes reflect the strong progress that they have made.</p> <p>Target setting discussions with teachers sets ambitious targets for pupils.</p> <p>Termly pupil progress and intervention planning meetings have impacted on the focused provision for pupils.</p> <p>Pupils have been well supported in all lessons and receive a range of additional support to diminish/close the attainment gap.</p> <p>Quality first teaching is good or better and pupils have made strong progress – evidenced in their books and through pupil discussions.</p> <p>A range of interventions are used to support and track the progress of the specific needs of pupils on Insight.</p>
<p>Pupils are well supported academically, socially and emotionally – resulting in being ready for the next stage of their learning journey.</p>	<p>Pupils have self-belief and desire to achieve.</p> <p>Pupils are sociable and interact positively with others.</p> <p>Pupils have benefited from the emotional support that they have received and can use the strategies taught to self-regulate and remain calm.</p> <p>Pupils are aware of their strengths and areas of focus – this helps them to be independent in their continued emotional development.</p> <p>The Mental Health Support Team have worked with staff to identify pupils who require additional, specific support.</p> <p>Key interventions such as feelings detectives and Nurture Group provide targeted support for our children.</p>
<p>Pupils will develop knowledge, skills and experiences that will support their future lives - providing them with self-belief and ambitious aspirations</p>	<p>The Skills Builder work has impacted on pupils, and they have developed key skills that will support their future access to education and employment.</p>

	<p>Pupils have benefited from a well sequenced curriculum that focuses on key knowledge and skills.</p> <p>This is remembered and will support their future ambitions.</p> <p>Pupils have enjoyed a range of experiences that have enhanced their learning and promoted a greater awareness of their locality and the wider world.</p> <p>Pupils have an increased ambitions for the future and can verbalise these, linking to their awareness of the skills they will require</p> <p>Opportunities for our children to experience a range of vocational opportunities are planned throughout the year.</p>
Pupils to have good attendance and punctuality.	<p>Pupils have reached the national benchmark of 97% - as a cohort and individual.</p> <p>Where attendance has been a challenge, this has been well supported and, as a result, has improved.</p> <p>Parents have engaged with the Academy and understand the importance of strong attendance.</p>
