#### Y6 Curriculum Information Spring Term 1 2024

#### <u>English</u>

Through the Spring term, we will be revising what tools we need to be effective writers in year 6. We will be looking at topic-based nonfiction texts and using these as inspiration for our independent writing. We will be using our class text, 'Odysseus' as a stimulus to support our topic work too.

## <u>Please encourage your child to read regularly</u> <u>at home to broaden their vocabulary and to</u> <u>help give them ideas to use in their own</u> writing.

#### <u>Maths</u>

This term, the children will be looking at decimals, ratio and proportion. We will be applying this knowledge through problem solving and reasoning. In our daily arithmetic skills children are encouraged to challenge themselves daily and improve on their errors through taking ownership of their learning.

## <u>Please help your child at home by practising</u> <u>their times tables regularly.</u>

#### <u>History</u>

Our historical topic this term is Ancient Greece. The children will go on a journey through this important period of history covering: the geographical knowledge, beliefs, trades and civilisation.

#### <u>Science</u>

Evolution and Inheritance is the topic for Science this term. We will be looking at the theory of evolution and what scientific evidence used to explain the evolution of humans. We will also be looking into how animals and plants have adapted to their environments.

# <u>Art</u>

Following the Ancient Greeks we will be looking at Greek pottery as well as creating collages and imagery based around the class text 'Odysseus'.

#### Computing – Information technology

We will be taking a closer look at websites and what copyright means. This will set us up for the rest of the year enabling our research skills to be honed in preparation for secondary school.

# R.E.

Our RE will focus on Hinduism this term in particular the origins of Hinduism. We will explore Hindu beliefs such as Dharma and Brahman.

### <u>P.E.</u>

Our visiting sports coaches will be leading our P.E on Wednesdays.
